CONTINUING  
EDUCATION

## **Course Description**

---

Brush up your scientific and medical writing skills. Learn how to structure scientific papers and reports and write a clear and informative scientific text. This course provides a comprehensive overview of the strategic scientific and medical writing field and offers hands-on training in writing and analyzing scientific texts.

The course will be conducted in English.

## **Course Program**

---

This course will cover:

- What is the correct strategic approach to writing successful documents
- How to convey a message to the target audience
- How to produce high-quality documents
- What are the requirements to reach a successful outcome
- Ethics of scientific writing
- Practical work with multiple exercises

## **Learning Outcomes**

---

By the end of the course, students will be able to:

- Know key elements of good medical and scientific writing
- Critically appraise texts and identify elements of poor writing
- Convert some examples of poor writing to good scientific writing
- Reproduce the most important aspects of good medical and scientific writing
- Improve own texts

## **Course Faculty**

---

Dr. Silvia M. Rogers, MEDIWRITE, Basel, Switzerland

## **Target Audience**

---

This course is for all professionals (native or non-native English speakers) who intend to improve their scientific medical writing skills.

## **Course Credits**

---

The course including homework provides 1 ECTS credit and a Certificate of Attendance by the University of Basel will be issued. 100 FPH credit points in hospital pharmacy (accreditation to be submitted)

## **Course Date and Venue**

---

06.11.– 07.11.2023  
University of Basel

## **Course Fee**

---

Course fee including certificate, electronic course material and book by Silvia Rogers is 1200 CHF.  
A reduced fee applies to participants from academia and non-profit organizations.

In case of cancellation, refund of fee will be given if cancellation is received in written format (ecpm@unibas.ch) before the deadline for registration, after this date no refund can be given.
